Speakers

Deena Chester is a certified Hypno-therapist, Transformational Life Coach and Motivational Speaker. She is the founder and owner of Accept your Power!!!, LLC. She works with people that feel disconnected from their authentic self and are curious about their Unique Life Purpose. Deena's gift is to lead others to accept their power and experience joy, freedom and abundance in living.

Robin Roberts is a life coach and certified hypnotist who assists entrepreneurs in creating new life circumstances and achieving spectacular results in business, health and career. Robin is an engaging speaker and seasoned facilitator. She teaches on topics such as Intentional Change and managing and overcoming negative beliefs in order to move forward.

Susan Malik is a Personal Development and Business Coach with a focus on manifesting an abundant life. She is the founder and co-owner of Immediate Velocity, LLC. She works with people to clarify thoughts and feelings in order to manifest their best, joyful life by maintaining a positive focus and uncovering hidden disempowering beliefs.

Lacrima Cosnean is a Certified Health Coach who helps busy families cook healthy meals and promotes a holistic approach to dinner time. She is the founder of Lacrima's Kitchen, launched in 2013. Her mission is to help empower as many families as possible to love meal time. Her clients experience less stress and more family quality time in the kitchen.
